Lose Weight With A Perfect Diet There are a lot of diet fads and diets are always the latest thing but there is only one perfect diet that you need to know about. We are going to look at the perfect diet and this is where it comes from, the Atkins Diet. Dr Robert Atkins first published this book in 1972; he called it "Lose Weight Without Dieting". It was also published as "Dr Atkins' Diet Revolution" and this book was a follow-up to his 1972 book, "Dr Atkins New Diet Revolution". In this first book, Dr Atkins made a list of 10 rules in which he called the diet, in order to make it very easy. Dr Atkins said that at first, people would tell him that he was being too liberal with the rules but he would then say, "No, this is no diet. This is an eating plan."
