you. And I'm waiting for you again. I
don't want to share you with anyone. It's
mine. My love is your love. We both
wanted her. You were always there and
everyone felt it. You were like a light in
the night. You were my sun and moon. I
love you more than anyone could ever
imagine. When I feel desire for you, it's
like I have only me and no one else. I
love you so much. I can not be with
you. And I'm not asking. I just want you
to know that you are always in my
heart.
