. My Crazy Nieces (2011) Hd Online Full Free Download. A 27-year-old man was injured in the shooting An off-duty Cleveland firefighter is recovering after a shooting in East Cleveland that left him with a bullet wound to his face. The man told police he was shot early Saturday morning while driving in the 3000 block of Croton Road. Cleveland fire officials say a 27-year-old man was shot in the face by a bullet that passed through his car window. He was taken to MetroHealth Medical Center and is expected to make a full recovery, Cleveland fire officials said. The Cleveland Plain Dealer reports that Cleveland police told the man he was targeted. No arrests have been made. In unrelated incidents, a 52-year-old man was arrested for drunk driving early Saturday morning and a 36-year-old man was charged with disorderly conduct. Lakers fans threaten to boycott until James, Kobe return to LA Shaq probably doesn't want to, but he'd better. According to the LA Times: "Lakers fans threaten to boycott season, say Lakers need to 'clear the air' with them." And there goes the atmosphere, already. Hmph. So we keep putting our Kobe and Shaq jerseys on in public until the two men agree to return to the Lakers and decry how they just "didn't have enough time to grow up." That attitude pretty much guarantees that the Lakers will lose any of the games that they're not in, because it shows every other player in the league that Kobe and Shaq hold the keys to the franchise. Which, unfortunately, is most of the season. If Kobe and Shaq are trying to make amends by finally coming to the Lakers, I'm OK with that. But I'm not OK with the constant drumbeat to appease Kobe, and I'm not OK with the fact that Shaq hasn't come to the Lakers yet either. No one else would call Shaq and Kobe big babies, but they're showing no signs of wanting to win any games for the Lakers, to the point of ignoring the season to cling to the idea that Kobe is still good. But I have a better idea. Shaq would seriously be better off driving up to Kobe's house and telling him to "Get your S#!t together, and we'll win together." But I'll bet Kobe'd love the attention he'd get. 3e33713323
