The next fantasy RPG, The Legend of Heroes: Trails of Cold Steel II, will be released worldwide for the PS Vita in January 2017. To prepare for the release, we are currently unveiling a series of entertaining contents, and we are calling upon players all over the world to write and draw your thoughts on the system. By having users come up with their thoughts, we plan to craft content that resonates with players all over the world. ■ Commentary by over 20 users all over the world Users have come up with the following ideas: ■ The Story When the Elden Kingdom was destroyed, the magic of the Elden Ring was ruined and people lost their memories. Meanwhile, a new empire called the Principality appeared, which spread and grew unrestrained throughout the Lands Between. Now, the Elden Ring has once again awakened and it has become capable of killing all the people on this earth. It is a game that lets players experience a new fantasy adventure. ■ Creating the Character We also hope you will write what the character you will be in this fantasy world looks like. Of course, it will be highly entertaining and we look forward to your comments and illustrations! ■ Art by over 6 users Members of the Planning Team are also drawing pictures to inspire the design of the characters and the various environments. The Department of Art Members are calling upon illustrators all over the world to create character illustrations that take on the attitude of the latest generation. For more information on the project, please go to the following URL: [About The Legend of Heroes: Trails of Cold Steel II](#) The Legend of Heroes: Trails of Cold Steel II is a fantasy RPG released for the PS Vita in January 2017. Features Key:

Please note that there may be cases where the below feature descriptions are still incomplete. Please verify the details by checking the content of the game more closely.

Basic Play Features

- Play as one of 9 classes, including Warrior, Mage, and Rogue. You can find a variety of combat styles and modes to experience extensive open fields and huge dungeons. Command your allies with commanding skills. Create an army as powerful as yours with Elden Machines. Equip a variety of weapons, armor, and magic items with strategic combinations that fit the combat type you favor to gain an edge.

Convenient Battle Features

- Complete the initial episode without actually playing the game. Playing the story consists of exploring the various world settings, advancing the story, and acting out the drama. Collect items and acquire new skills for the campaign mode, or create your own army in the single player mode.
- Replay battles just as they happened using a replay feature that preserves the details of the initial

battle conditions. Experience the unforgettable drama that unfolds when you wage war on a player. Use the restore feature to replay battles with different characteristics from the main story.

Diversity of Online Play

- Experience asynchronous online play based on a free turn policy. Take on opponents as well as your friends! Enjoy access to your ally's weapons and gold and use the wisdom of your allies to create powerful armies. Connect and play with other players even as you travel.
- Change your class and create your own army based on your play style. You can freely combine the weapons, armor, and magic that you equip. As you develop your character, you can exchange weapons to increase your muscle strength, or master the proficiency of magic, but your choices leave a permanent mark on your character.

Fantasy-Inspired Online Game

- Play fantasy action combat RPG where the story line and gameplay follow a fantasy world that has not yet been materialized. Check the "Fantasy Thoughts" on the information screen to learn the story about the world
