Stuttgart 21, The 30s and Your Street Football All-Stars (graphic) A cohesive system of tactical and technical templates is presented as a library for players to build their own game in. Play out any game type and tactical shape, or input your own. Then, for any custom game, you can tweak and customize your strategy and roster based on the player data previously collected by EA SPORTS. Tactical and Technical Templates Create Your Own Gameplay Master Chiefsweep Create your own team built around the width and movement patterns of your actual team. You can create your own club, or clone an existing club's style of play, including formations and lineups. The team data is also accessed through in-game menus and allows you to play out your own "club style" of football. Is it real? It's Real Football, But Not The Real Football We Know Create your own team with your favorite real players and use a more realistic, authentic style of football, with players aiming to attack off the ball and higher up the pitch, with less passing, and more running towards goal. The full squad is made up of all real-life players from around the world, including the actual names and real photos of your players. Each player has its own attributes, from position, appearance and actions. "This new technology is the first step in our attempts to create the most realistic football video game possible. It is just a starting point, and we have much more to come," said Richard Meeker, Chief Football Officer, EA SPORTS. "We have partnered with Juventus to capture our club and to bring a small selection of the most advanced players to the game. We are still going to need your help. It is our

final challenge to create the best football game possible that we can. Features Key:

- FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.
- Career Mode - Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory.
- Player Career mode - FIFA 22 is the first FIFA to feature an all-new player career mode. With a more immersive and compelling story, players' management of personal attributes, and new systems like a re-defined dynasty and training mode, you can build your favorite player to create the next great superstar. Every step of your players' career comes with its own rewards, so as they grow as a footballer and develop as a player, you'll be rewarded as you learn new tactics and playstyles.
- New Champs League - From England's Premier League to France's Ligue 1, why settle for just one competition when you can try your luck in the FIFA 22 Champs League? Compete with your friends and fiercest rivals in ultimate club challenges like the Champions League and Champions League Knockouts to become FIFA 22's greatest club manager.
- Style Your Club - New ways to customize your team include style kit designs, manager kits, shorts, and body tape that you can apply to your players, and finishing touches such as headbands, cleats, and goal kits. Don't forget to download the updated Pro Stylers on the Xbox Live Marketplace.
- All-New Gameplay and Add-on Rewards - With the new control and gameplay innovations introduced in FIFA 20, upgrades to key attributes and other improvements to physics, animations, and game designs, you'll unlock more trophies and coins and earn rewards with

minutes on the pitch.

- New Franchise Mode – Take your team on the road as you build a dynasty as you bring your club to the ultimate glory in FIFA 22's new franchise mode. And with new characters like Spanish min

FIFA is football. Simple, right? Well, not entirely. Like all things good, it's a little more complicated than that. FIFA is a series of sports simulations. Whether it's a realistic simulation of a professional football league or a World Cup tournament, FIFA captures the excitement of your favourite sport like no other. FIFA has been a big part of my life since the age of 14. Growing up in Australia, FIFA was the first console game that I'd go out and buy, and since then, I've played games as if my life depends on them. I loved FIFA, and I played a lot of it. But even if you do love FIFA, that's not enough to really know what it's about. What is FIFA Ultimate Team? Ultimate Team is a mode in FIFA. It's a collection of footballers with diverse backgrounds, player traits and playing styles. You will then use these players to play more than 300 FIFA Ultimate Team matches. What is Ultimate Team? FIFA Ultimate Team is a game mode in FIFA. It's a collection of footballers with diverse backgrounds, player traits and playing styles. You will then use these players to play more than 300 FIFA Ultimate Team matches. How do I know that I'm in Ultimate Team? When you join FIFA Ultimate Team, you can make two teams. You can call one the league team and the other the card team. The league team is the team you play FIFA Ultimate Team matches on. The card team is a collection of players that you don't play FIFA Ultimate Team matches on but that you want to use in your team. When you join, you'll see that your league team consists of players that you've played Ultimate Team matches with in the past. You may even see some that you've not played with before. Both league and card teams can be made up of a number of different squads. What are the different types of squads? There are three types of squads in FIFA Ultimate Team. There are the Millionaire Squads, which you can only use as your goalkeeper. You can then choose one of six formation types: Formation A, Formation B, Formation C, Formation D, Formation E or Formation Z. There is also a brand new Formation that we're calling the Formation X Squad. Each formation has a number of set roles and traits

FIFA is the world's #1 interactive sports video game franchise, and the most widely played sports video game in the history of the video game industry, according to NPD industry analyst Luke Winkie. With four of the world's top video game titles in the FIFA franchise, EA delivers the most authentic simulation sports experience in the market. Why FIFA? As world leading entertainment creator Electronic Arts (NASDAQ: EA), FIFA is the leading sport video game franchise in the world. FIFA's highly respected gameplay and a community of fans continue to drive new audience engagement, growing EA's esports business and increasing FIFA's online and mobile game and digital offerings. FIFA Competition & Innovation In FIFA, more than 700 authentic teams, players and stadiums are included to connect gamers and the real world. Groundbreaking improvements to authentic gameplay, player attributes and real-world team kits all foster an even deeper connection to the sport and players in your real world. For the first time, players will experience more on-field commitment through the implementation of FIFA's technology-driven Player Defined Moments and use of dribbles to trick opponents. It all makes for the most immersive and rewarding EA SPORTS FIFA experience yet. Unparalleled Player Analytics With the support of the world-renowned Premier League's data partners Opta and Prozone, FIFA players will experience game-changing Player Behaviors. For the first time, FIFA players will have detailed data on every player and every interaction to help them fine-tune game strategy. All of this comes in addition to the new Player Performance Ratings (PPR) that track player improvement over time to inform future game strategy. New Ways to Play Even the most dedicated FIFA players will never play the game the same way twice. New innovations in gaming are used to enhance gameplay across all modes of play in FIFA. In addition to a comprehensive range of mechanics, FIFA innovates new ways to play throughout the entire game, from the use of dribbles to goal celebrations. Fans will also be treated to new ways to connect with FIFA, including the ability to cheer on your favorite team using the new FIFA Ultimate Team (FUT) Manager. Story Moments Imagine a world where the impossible happens as you move the ball with superpowers. EA SPORTS FIFA 20 brings the ability to team with your friends to dive into story moments to change the outcome of in-game moments. Come and Play
