For the first time ever, this technology can be used to recreate the entire football pitch. All actions, from the start of a pass, to a cut-back, to a corner, to a cross, the ball is perfectly reproduced, guaranteeing an unparalleled ball physics experience. This technology provides a more accurate interpretation of the game, resulting in better game performance and more authentic gameplay mechanics. Improved Commentary FIFA's World-Class commentary team will bring you the excitement of the football match with all-new commentary lines and an upgrade to the pitch-side studio. New commentary features include the ability to record commentary lines during play. The game will also include many new commentary lines, including free-kicks, corners, throw-ins, and goal kicks, all of which will be added during play. The game will also feature exclusive commentary lines recorded while the real commentators are in the game. Upgraded Matches Customise your world in FIFA Ultimate Team! FIFA Ultimate Team continues with over 900 cards to unlock. The new Ultimate Team features include new Stadiums, team kits and player cards. New player cards include Victor

Moses, Thomas Vermaelen and Cesc Fabregas. They are all now available at the Backroom. Players can also create their own ultimate teams by pressing the 'Insert Players' button. The most popular players from the Ultimate Team will appear in the Create a Team screen. The new Editor, which can be found in the Create a Team screen, allows players to create custom football stadiums, teams and create their own player cards, all of which will be used in a future FIFA Ultimate Team – FIFA Ultimate League game. In FIFA Ultimate Team, players will be able to customize and create their Ultimate Team from a selection of cards and packs from unique FIFA Ultimate Team Series, including Fantasy, Legends, Showcase and Premium Packs. Ultimate Team Coins are also now tradable – players can now use coins from the In Game Card Store to buy cards on the UGC Marketplace or add coins to their account balance. Easter eggs are now introduced into the game with a new dog running in front of the camera. Improved Match Day Experience FIFA Ultimate Team continues the rich tradition of creating an authentic football atmosphere. The All-Star Team and Soloist feature allows fans to bring their own music to games on the pitch. Fans can start songs on their chosen player
