\*\*\*. 1995. Best Burgers in Los Angeles Sometimes a burger is just a burger, no sauce or cheese or sauce or cheese. This is one of those times. It has thick-cut fries, a special sauce, and a nice mound of gooey cheese and meat—and there's absolutely nothing wrong with that. Andrew Knowles 6 Best Burgers in Los Angeles Andrew Knowles Andrew Knowles is a native Angeleno. He went to Beverly Hills High School and for nearly a decade worked as a writer and editor in the movie industry, writing for such big-name publications as Premiere, OK!,

---

Variety, The Hollywood Reporter, and more. He later took an unexpected detour into social media when he started a popular food blog called The Knowles, which has been a finalist for Best Food Blog at the Los Angeles Press Club Awards. He left the food blogging world in 2012 to work as a restaurant critic. The present invention relates to a method of and an apparatus for reading out a recording medium by moving a pickup in a track-following mode in which a center of a track is followed. A prior art or prior art method and apparatus for reading

---

out the recording medium by tracking a medium is disclosed, for example, in Japanese Patent Laid-Open Publication Nos. 1-81679 and 2-270734. In the conventional method and apparatus, reference was made to a position of a track center based on frequency modulation data produced by frequency modulation of a particular frequency from the pickup signal, and a servo gain of a tracking servo was changed based on the reference in accordance with a relative speed of the pickup with respect to the recording medium in the track-
