It is also well known that once a patient has his or her first pair of contact lenses, the patient will almost always require a replacement pair of lenses. With the advent of soft contact lenses there have been a dramatic increase in the number of lens wearers. The popularity of these lenses stems from their ability to be inserted and removed from the eye easily and quickly. These lenses are very popular with contact lens wearers because they can quickly and easily be changed

at a moment's notice if one experiences discomfort, minor irritation, or a "bloom" of lens material, for example, after placing the lenses in the eye. However, since there are many patients who only wear contact lenses as a "temporary" measure until their corneas heal or otherwise repair themselves, and for whom there is not a long term desire to wear contact lenses, there has been a need for a procedure in which a patient can have his or her eyesight cured over an extended period of time without the constant wearing of contact lenses. Currently there are a variety

3.5/5 ★★★★★ [Review by Gerard] Click on the images below to view a larger version of the image: The sky between the sea and the mountains has become a place to pursue vengeance and gain revenge... Hearts between the lonely darkness of night and the reality of day has become a place where hoarded grievances have been exchanged... The shore between the land of wind, wave, and sand has become a place where the four winds blow... In the land between these many worlds, the action role-playing game A Land Beyond Darkness and Light is born. ■ A Land

- **Powerful Gear!** The gear you equip changes your combat style, and has distinct effects depending on the number of points you assign to each type. You must calculate your strategy in the initial battle. (1) **Bladed Weapon:** An assault sword. (2) **Heavy Weapon:** A great axe that easily deals enormous damage. (3) **Bonus Item:** A magical item. **Combat Style Adjustment Points:** You can equip one gear. In addition to the number of combat style points you assign, you can assign additional points to the number of combat style points. As the number of combat style points increases, you can use your gear more powerfully. You can also equip a **Martial skill** that you can use to attack when you have no combat style points. You can use the skill even when you're close to your opponent. **Grapple Equipment:** Magic Equipped Gear: **THE NEW FANTASY ACTION RPG.
