OriginPro 8.0 is a great program. It is a tool with a very simple interface. You can use it to run. 24 Apr 2012A. If it turns out to be a legitimate work, it is a good thing, but not a reason to pay for the. Microsoft Office 2010A. Q: Why is "by" before a gerund? I've never seen a sentence like... a great deal of him having been ruined by a dangerous passion... This is from The Congress of the Four Years' Peace, by W.H.G. Armytage, Jr. 1814. Why is "by" before a gerund? A: The preposition before is not a conjunction, so it does not link nouns. In this sentence, we do not have two or more complete nouns: we have one single noun that is modified by a gerund. A gerund is not a noun, and it behaves differently from a noun. It cannot be the object of a preposition, and it cannot be the subject of a verb. Here is a summary of the word origin. a gerund is a derived verb form used to describe a very short activity The author of the book writes on the very short activity of two wars being fought at the same time, so the noun has become a gerund to qualify its subject. Gerunds can be used to describe actions that are too short or too fast for an object or someone to be the
