About the Tarnished Lands. While connecting the Lands Between, you will be dropped into the Tarnished Lands, where monsters who are commonly encountered in the Lands Between run rampant in this region. Although they have come to the Lands Between on their own, they should

be considered lost souls, who are unable to move on in the Lands Between. There is no point in stealing their items. Simply try to get them out of here as soon as possible. You can also obtain the concept of power, knowledge, and wisdom from them.

However, their emotions are in an extremely depressed state, and they are filled with evil thoughts. When they get involved in some destructive activities, you will be warned. However, they are more active in the daytime. After the sun sets, it will be harder for you to make contact with them. You can save them from this dangerous situation. If you are helped, they will feel refreshed. However, they will become either immature or mature and become more dangerous. You have to be very careful when helping them. Note: The

following description will be specific to the Lands Between. About the Lands Between.

The Lands Between is an area that connects the Lands Between and the world of man. It is not only a bridge that links the Lands Between to the world of man, but the environment in which the Lands Between is enclosed. The Lands Between is a world full of vastness, and the only ways that it can be known are through data obtained from the Exploration Map. The Exploration Map is the world map of the Lands Between. It is the true-to-life map of a person who explores the Lands Between.

It is also the map that depicts the relationship between the map viewed from the side of the map you are interacting with and the map of the other world. The Exploration Map must be understood to

expand your knowledge of the Lands Between and to deepen the relationship between the Lands Between and the world of man. What is a Sista? A Sista is a piece of information that was collected from the world of man. If you are in the Sista, you can only exit the Lands Between when you turn over the information you have obtained. In other words, the Sista is information that must be turned over to an Elden Lord, which is an actual person. Information can be turned over for
