Average Rating 20 I was a patient of Dr. Smith. I became pregnant with twins and I had 4 months of blood loss, and I was in a lot of pain. I then went to see Dr. Smith. I thought that I was giving birth for at least 20 minutes until I experienced labor pains. I then labor for about 10 hours without pain medication. Even after the delivery, I still felt a lot of pain! During this time, I was also... Nuclear Medicine Center is a good radiology center that serves the needs of Charleston area healthcare. The center was established in 1988 and provides a wide range of diagnostic services.Q: Is it possible to use Ruby's Dir.glob with an array of file paths? I'm trying to run some code to check a directory for files, but I need to exclude a number of directories (which I don't know until runtime). Dir.glob(["whatever"], [Dir["folder1/folder2/*.*png"]]) That doesn't work. Is there any way I can search the given directory for files that match the glob pattern but not include the given directory? A: I've figured out an answer. I just had to reverse the array and add the two characters *. Dir.glob(["whatever"], Dir["folder1/folder2/*.*png"].reversed) Several local colleges, including Alabama A&M, have shared stories that show the
